Description

This four-day course will introduce you to real property concepts and characteristics, legal considerations, influences on real estate values, types of value, economic principles, market area analysis, highest and best use, and ethical considerations.

The course will provide a solid foundation in basic appraisal procedures no matter what appraisal specialty you pursue.

By successfully completing the course and exam, you will have met most states' education requirements in the content area identified as basic appraisal principles.

If you are considering a career in professional valuation services, your journey should begin with *Basic Appraisal Procedures*.

This course has been endorsed by the International Association of Assessing Officers for its members.

The Appraisal Institute is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.

State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be addressed to the National Registry of CPE Sponsors, 150 Fourth Avenue North, Nashville, TN, 37219-2417. Web site: www.nasba.org.

Delivery Method: Group-Live
