September 16, 2009—Meeting

Tour the New TCF Bank “Gopher” Stadium

10:00 am—2:00 pm

TCF Bank Stadium - your new home for Big Ten Football!

The process of building an on-campus stadium began in 2003 when the University of Minnesota began exploring their options for this new facility. Dreams became a reality on January 23, 2007 when the Board of Regents approved the schematic design and budget for TCF Bank Stadium. In July 2007, construction officially began and is now complete. The stadium is not just a home for Golden Gopher Football and the University of Minnesota Marching Band; it is the home of college football tradition for all the residents of Minnesota.

You have all been following the progress of the construction and now it is a reality. Seeing is believing!! The site is incredible and this tour will take you through the stadium where you'll be able to see the Lobby with it's tribute to former Football Greats, the Suites, the Loge Boxes, Indoor Club Room, Locker Rooms, Band Rooms and of course the incredible DQ Club Room with it's magnificent view of the field and the Minneapolis skyline where we'll have a wonderful "All-American BBQ Buffet" and listen to guest speakers Joel Maturi and/or Phil Eston, the Project Manager.
